

Baldwin's All Breed Dog Grooming Boarding Policies

Rates (tax not included): rates are subject to change without notice

We split the charges for a day at 12pm. Example: Drop off at 2pm on Friday your fee for that day is a 1/2 day charge. If you stay all day Saturday that is a full day. If you pick up before noon on Sunday then that is a 1/2 charge. This stay would total 2 full days. If you were to pick up afternoon on Sunday, then your total would be 2.5 days.

Small dog (under 35lbs): \$40/full day

Large dog (over 35lbs): \$45/full day

An additional dog in the same family sharing an enclosure: Small dog +\$30/full day, Large dog +\$35/full day. (Only applicable to dogs that live in the same house full time)

An additional dog in the same family, but staying in separate kennels: Regular small or large dog rates each.

You will be charged for all reserved nights regardless of early pick ups.

Extended stay discounts:

7+ full days = 10% off

14+ full days = 15% off

Deposits:

Due to limited kennel space a deposit total of half your stay is required upon booking. We operate on a first come first serve basis. Reservations must be confirmed and a deposit paid for the spot to be held. An inquiry into available dates does not hold a reservation. You are responsible for all time reserved even if for some reason you pick up early. Changes to your stay length must be made at least a week prior to your stay. Deposits are refundable if the reservation is canceled 14 days (2 weeks) or more in advance. There will be no refunds for cancellations that occur with less than 14 days notice, and the deposit is NOT transferable to a different stay.

Pick up and Drop off:

Weekdays: During business hours at the time selected on booking.

Saturday: 8am-12pm and 5pm-6pm

Sunday: 8am-12pm and 5pm-6pm

NO EXCEPTIONS

Holidays:

All Holiday stays will be charged a minimum of 2 full days. Holiday pick up and drop off hours vary.

Holidays include: Memorial Day, Labor Day, July 4th, Thanksgiving, Christmas Eve, Christmas, New Years Eve, New Years Day, and Easter.

Vaccinations & Flea Preventatives:

Rabies, Distemper, and Bordetella vaccines are required. All vaccines must be administered at least a week before the first day of your pet's stay. We also require your pet to be on a vet quality flea and tick preventative all times of the year. If your pet has fleas a \$50 cleaning fee will be added to your bill.

Kennel Cough: We have proper air exchange and flooring approved by all kennel associations. We do all required sanitation above industry standards. In some cases, just like a human flu shot, dogs that are vaccinated can get mild coughing when exposed to different kennel cough strands. A dog with kennel cough can have kennel cough and show no symptoms, making it difficult to control. Keep in mind, when vaccinated, these symptoms are normally mild and resolve on their own without treatment. In some cases treatment is necessary. Kennel cough, while a nuisance, is very treatable.

Emergency Care:

Should a life threatening situation arise, the well-being of the dog will be considered first. If you are unable to be reached, lifesaving measures will be taken until you can be reached. The owner is responsible for all accrued vet fees.

Behavior Requirements:

Dogs with questionable play styles will be allowed one on one playtime with staff. Dogs humping, harassing, excessively barking, or with severe separation anxiety may be asked not to return as they can harm themselves or others. We can't except dogs that can jump our play area divider walls. Un-altered animals can NOT mingle under any circumstances. We will give those dogs one on one play with staff. We are not in the business of mingling risky pets. If you suspect your pet may not mingle well with others please make sure our staff is fully aware. We are relying on your representation of your pet to keep all animals in our care safe and happy. By signing this form I understand that it is possible that in the course of playtime with other dogs minor injuries such as scrapes and bumps may occur.

Food and Medications:

Please bring only as much food as is needed for your stay plus 1-2 extra meals, our storage space is limited. Only bring food that your pet is normally on. Do NOT add additional items to your dogs diet in the days leading up to their stay as this can cause loose stool. Please make sure to let us know if you dog has ever had stress related diarrhea.

Please make sure all medications are clearly labeled with dosing and frequency. If your dog takes their medication with a pill pocket or special treat please bring that with. We are able to administer shots (insulin), during business hours, at a fee of \$5 per injection.

Personal Belongings:

Our storage space is limited so no bedding or toys are necessary. We have lots of toys, blankets, and our own beds. Stainless steel bowls and dishes are provided and used due to sanitation purposes.

I have read and agree to these terms and conditions.
